**** California Business & Professions Code:**

Section 19049: It shall be unlawful for any person to engage in a business regulated by this chapter unless, at the time of so doing, he or she holds a valid, unexpired license to engage in that business, in compliance with the provisions of this chapter.

Section 19080: A person shall not, at wholesale, retail, or otherwise, directly or indirectly, make, rebuild, repair, renovate, process, prepare, sell, offer for sale, display, or deliver any article of upholstered furniture or bedding, or any filling materials in prefabricated form or loose in bags or containers, unless the article or material is plainly and indelibly labeled. This does not include furniture used exclusively for the purpose of physical fitness and exercise.

Section 19161: (a) All mattresses and mattress sets manufactured for sale in this state shall be fire retardant. "Fire retardant," as used in this section, means a product that meets the standards for resistance to open-flame test adopted by the United States Consumer Product Safety Commission and set forth in Section 1633 and following of Title 16 of the Code of Federal Regulations. The bureau may adopt regulations it deems necessary to implement those standards.

(b) All other bedding products that the bureau determines contribute to mattress bedding fires shall comply with regulations adopted by the bureau specifying that those products be resistant to open-flame ignition.

(c) All seating furniture sold or offered for sale by an importer, manufacturer, or wholesaler for use in this state, including any seating furniture sold to or offered for sale for use in a hotel, motel, or other place of public accommodation in this state, and reupholstered furniture to which filling materials are added, shall be fire retardant and shall be labeled in a manner specified by the bureau. This does not include furniture used exclusively for the purpose of physical fitness and exercise.

(d) Regulations adopted by the bureau for other bedding products shall not apply to any hotel, motel, bed and breakfast, inn, or similar transient lodging establishment that has an automatic fire extinguishing system that conforms to the specifications established in Section 904.1 of Title 24 of the California Code of Regulations.

(e) This section shall become operative on July 1, 2007.
