Section 19049: It shall be unlawful for any person to engage in a business regulated by this chapter unless, at the time of so doing, he or she holds a valid, unexpired license to engage in that business, in compliance with the provisions of this chapter.

Section 19072: Responsibility for compliance with this chapter rests not only with the manufacturer but also with the importer, wholesaler, retailer, or any person having in his or her possession any article of upholstered furniture or bedding, or filling materials with intent to resell contrary to the provisions of this chapter.

Section 19080: A person shall not, at wholesale, retail, or otherwise, directly or indirectly, make, rebuild, repair, renovate, process, prepare, sell, offer for sale, display, or deliver any article of upholstered furniture or bedding, or any filling materials in prefabricated form or loose in bags or containers, unless the article or material is plainly and indelibly labeled. This does not include furniture used exclusively for the purpose of physical fitness and exercise.

Section 19083: Labels shall be securely attached to the article or filling material at the factory, in a position where they can be conveniently examined.
